Dear Eric:

I was at Yale last weekend for my 50th Law School reunion, and out of the blue, so to speak, your daughter Linda, with her husband Donald Shapiro, recognized me and we had a nice talk. She said you were active as ever and doing fine; so I had to write to say hello, from Oleg Rivkin as well who remembers you with great admiration, as I do. We still work on interesting cases but none as interesting as your ANS coin hunt.

Damaris joins me in wishing you and Evelyn the very best.

Very truly yours,

John R. Horan
